Student Activities

Student Life at Brescia University incorporates a holistic nurturing of the student – body, mind, and soul. Central to this task is building community both on and off campus. Brescia students learn that service and scholarship are not just hallmarks of the University, but paths to be followed for a lifetime. Students learn leadership and responsibility by actively participating in student clubs and organizations.

Even if you choose not to participate in a University sanctioned club or organization, there are many fun activities going on around Brescia’s campus to keep you busy. Whether you want to showcase your talents during Karaoke Night, have a few laughs thanks to a visiting comedian, or just hang out with friends while listening to a musical performance, it is all available to you right here.

“I believe student success is directly related to student involvement. I’m excited to have the opportunity to engage students in this facet of their education and we have a variety of social and educational programs scheduled for this year. The Student Activities Program Board in conjunction with the Student Government Association has made a conscious effort to plan over 70 events with the purpose of strengthening their commitment to the Brescia community. Students can learn more about these events by following Brescia SAPB on Facebook and/or Twitter and by checking out the webpage: www.brescia.edu/engage.”

Patricia Lovett
Director of Student Activities and Leadership Development
