

VACANCY ANNOUNCEMENT

Assistant Professor in Chemistry

PR# 22-12

Brescia University, a Catholic liberal arts university in the Ursuline tradition, seeks a broadly-trained individual for a tenure-track assistant professor position in Chemistry to begin August 2022. The successful applicant will demonstrate ability or willingness to teach both majors and nonmajors chemistry with primary duties in Organic Chemistry, Quantitative Analysis and the candidate's area of specialization; other courses offered as needed to support both the major and minor. The successful candidate will maintain teaching labs, advise students, serve on University committees and perform other duties as assigned. Preference will be given to candidates with experience in current STEM pedagogy. The department encourages and fosters creative teaching. Tenure-track for terminal degree applicants only. Masters welcome to apply.

Complete applications will include an application letter, a vita, a statement of teaching philosophy, copies of college transcripts, and contact information for at least three professional references. Applications will be accepted until the position is filled and should be sent either electronically or by mail to:

Brescia University
