Assistant Professor in Education

PR # 22-19

Brescia University is seeking applicants for a position in the School of Education starting in January 2023. Terminal degree is preferred; Master's degree and teacher certification is required in elementary education (P-5 or K-8).

P-5 teaching experience and additional certifications or endorsements are strongly preferred. Only terminal degree will have the tenure track option. The position involves teaching undergraduate courses, scholarship, advising, supervising clinical practice and practicum candidates, accreditation preparation, committee membership, collaboration with area schools and advising KEA/CEC student program on campus, and other duties requested from school chair and Academic Dean's office. Send letters of interest, vita, three letters of reference, and copies of transcripts, teaching certification, and salary expectations to HR@Brescia.edu or mail to:
